

NSSL Event – November

Science in the News

Submitted by Lorraine DeAmato, St. Mary's, Lynn

This will be a pencil and paper event. The event will consist of fifty objective questions (fill-in) with a word bank provided.

The questions will be based on articles from the

- **October issue of Discover Magazine** and the
- following three Monday editions of the  
**Boston Globe, Health and Science Section**
  - **October 17**
  - **October 24**
  - **October 31**
